Finca Alcaidesa

San Roque Club

1. "Finca Alcaidesa" the forest hack

Nature at its best five minutes away from Sotogrande and the coast (5 km). This Natural Park is one of the area's best-kept secrets. It has an impressive surface area of 1.500 hectares with wild olive trees, cork oaks and pines. For those who love

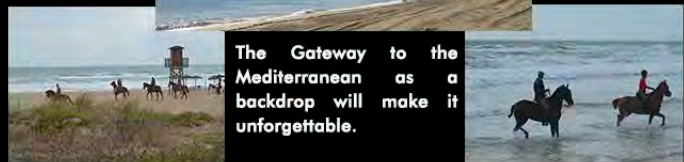

nature riding here is a unique experience. A habitat shared with mountain goats, deer, wild boar, foxes and stunning bird life.

2. The beach hack

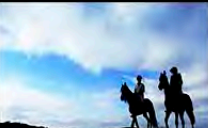

Hacks on the unspoilt Guadalquivir beach with views of the Strait of Gibraltar and Africa. The Guadalquivir cork oak tree woods are the last remaining Mediterranean eco-systems of its kind by the coast. Riding on the beach is a unique experience

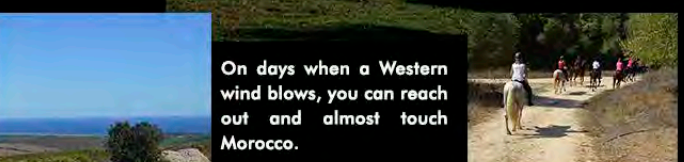

The Gateway to the Mediterranean as a backdrop will make it unforgettable.

3. Sierra del Arca

on this hack we ride out from our stables, we go to the "Sierra del Arca", a seven hundred meter high "table" mountain with stunning views over the bay of Algeciras, Gibraltar Rock, the Mediterranean sea and Sotogrande.

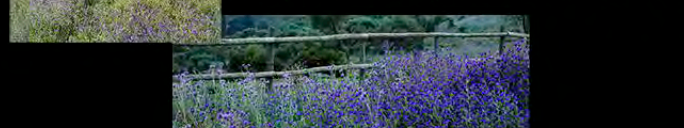

On days when a Western wind blows, you can reach out and almost touch Morocco.

4. The prairie

Right next to our park is a vast grassland where horses and cattle are grazing quietly. It is an amazing opportunity for exhilarating canters, experiencing total freedom in the saddle, combined with the beauty of nature. Every season the colours change,

the flowers abound and the contrasts in the landscape are unbelievable with its special light.

Other activities to enjoy

If you come with non-riders or you want to combine your riding holidays with the features of a luxury environment and a deeper understanding of Andalusian culture and traditions, we can recommend...
 visit the old roman towns of "Baelo Claudia" and "Carteia"...
 Practice different sports like golf, archery, kayaking, rock climbing, sailing, polo
 Discover the typical Andalusian white villages like Tarifa, Casares, Ronda
 Learn spanish and how to cook spanish food
 Enjoy the best beaches of the Mediterranean and the Atlantic coast
 Let us know your wishes and we will do everything to make your holiday unique!

nature riding here is a unique experience. A habitat shared with mountain goats, deer, wild boar, foxes and stunning bird life.

2. Castellar de la Frontera (25 km riding)

We ride cross-country until we reach the 12th century medieval fortress and enter the castle by means of the old Roman road. Within the walls a charming Andalusian town and incredible views of Gibraltar area.

Overnight in the castle. History is not only in books!!

3. Jimena de la Frontera (23 km riding)

Turning north we start to follow the river up the narrowing fertile valley towards the white village of Jimena. Occupied since Prehistory, cave paintings are still to be seen at the archaeological site of La Laja. With the Muslim invasion, Jimena was fortified.

A chance to visit the Moorish castle built on newly excavated Byzantine Roman foundations.

4. "The Americans Road" (30 km riding)

On the way back from Jimena we go down to the river Hozgarganta to get to "the Americans road", a dirt road where we can speed up our riding till we get to a more mountainous area where we follow the cow-tracks back to our park.

Riding into the sunset!

5. Sotogrande (one hour riding)

Right next to our park is a vast grassland where horses and cattle are grazing quietly. It is an amazing opportunity for exhilarating canters, experiencing total freedom in the saddle, combined with the beauty of nature. Every season the colours change,

the flowers abound and the contrasts in the landscape are unbelievable with its special light.
